classic and contemporary furniture

we are passionate about
creating furniture that fits
beautifully into any space...

At Goodmeasure we create products that are tailor made to your individual living requirements. We excel in furniture to fit the most awkward of interiors and eclectic of styles.

We provide a service that covers all aspects of the design process; from the initial ideas stage through to production. Call 020 8778 2222 to discuss your proposed project and our In-house team will be happy to assist you.
